June, 2006 Newsletter

This is a vacation month for a lot of members, including me. I am leaving for a driving trip out West with one of my sons and grandson. Will be back July 1. I wanted to get this newsletter off to you before I leave on Tuesday.

We have a new Administrative Assistant helping our organization. Her name is Melody Rice. She has been helping me in the past in the various items such as mailing the newsletter out and the EXPO. Her position is expanding and she will be paid a small monthly fee from the association. This was suggested and approved at our Board meeting in Mobile. Melody is also taking over the job of welcoming new members to our organization with a welcome letter and a decal for the current year. We are having both 2006 as well as 2007 decals printed and you should be getting your current year in the mail in about six weeks.

Our next general members state meeting will be October 18, 2006 in Huntsville. The location will be an area hotel. Several are bidding on it and a place will be picked in a couple of weeks. Certainly you will receive more info about the place when it's finalized. In the meantime, put the date on your calendar now. That will not change and the meeting will again be 10:00 a.m. with lunch and ending no later than 2:30 p.m. We will have a slate of speakers related to Self Storage as we did in Mobile.

The sample Rental Agreement is still getting close. There has been a slight delay regarding some legal matters that came up that are being resolved. I hope to have a firm date from Douglas Fink in the next few days and I will pass it along electronically to all of you getting this email. It will be put on-line immediately when it is finished. It's for members only.

Please support your organization and point others to the web site. www.alabamassa.org The membership sign-up form is on the site and we need to get at least 40 more members before October.

Best regards,
M.D. Smith, President
